This building houses Mulligan's restaurant, which will be officially renamed at the Grand Opening on October 23.

Talent contest promotes family bonding

by Vanessa Reyes-Adame
16th Services Marketing

Preparations are underway for the sixth annual Family & Teen Talent Contest set for November. This year's performance will feature a wider variety of categories than in previous years with solo and group acts for children, teenagers, husband and wife teams, and families.

"This is a positive family experience," said Trisha Barrett, Special Events Coordinator for 16th Services Squadron. "It provides additional opportunities for families and youth to participate jointly in a recreational activity and also reinforces creative expression."

As an attractive bonus, group category winners will have the opportunity to perform at next year's Tops In Blue show when the showcase travels to Hurlburt Field.

"We're expecting a high number of contestants," said Ms. Barrett. "I feel sure that our sixth annual show will be something to remember."

Local winners will be given the opportunity to compete in an Air Force level contest where competitors will vie for U.S. Savings Bonds ranging from \$100 to \$500.

Aspiring Tops In Blue active-duty members are encouraged to participate as entertainment for the contest.

Auditions are scheduled for October 27, 28 and 30 from 5-9 p.m. at the base theater. The free performance will be held November 30 from 2-6 p.m.

If you're interested in volunteering for the event, or to find out additional information, please contact trisha.barrett@hurlburt.af.mil.

AFSOC Gains New Ground

by Vanessa Reyes-Adame
16th Services Marketing

A new name has been chosen for Gator Lakes Golf Course's Mulligan's restaurant and will be revealed to the Hurlburt community at the grand opening on October 23.

Management elected to change the name from Mulligan's to a name more reflective of the heritage of Air Force Special Operations Command. Management is not disclosing the name just yet, but they are saying the selection honors AFSOC tradition.

"I think it's a good opportunity for us to cater to the entire base as opposed to only golfers," said Mulligan's Assistant Manager Patti Eafrafi. "This is going to be a spot where people can come and relax after work."

The first phase of the yearlong project, expected to be completed for the grand opening, will include replacing current tabletops with glass, introducing a new menu and providing staff with new uniforms to compliment the restaurant's new look. When the renovation is completed, some time next year, the restaurant will provide a formal dining atmosphere while honoring AFSOC history.

"Customers can expect a new evening bar, food specials and a very nice dining atmosphere," said Mike Treylinek, Gator Lakes manager.

For those who like Mulligan's, don't be discouraged, you will still be able to enjoy a few items. The golfers menu is staying as well as the hamburgers and salads...and

of course the good home cooking and the excellent view!

Everyone is invited to the grand opening set for October 23 that is sure to be full of fun, games and surprises to include a special "shoot for your lunch" opportunity for grand re-opening day. The festivities, complete with new menu items, will begin at 11:00 a.m. with the unveiling scheduled for 11:45 a.m.

This is an indoor view of Mulligan's Restaurant. When renovation is completed next year, the restaurant will provide a formal setting and a new bar.

PLACES TO GO, THINGS TO DO

The Lunch Box

Spare Time Grill

Services Catch of the Month

NFL charity supports Hurlburt Youth Sports Program

By Vanessa Reyes-Adame
16th Services Marketing

Flag football players are kicking off the season with new gear thanks to a \$1,000 grant made possible through a partnership between the Boys & Girls Clubs of America and the National Football league.

"We're excited, said Jim Harriot, Youth Sports Director. "This was a good opportunity to upgrade the equipment by replacing older used items."

The grant was awarded to clubs with existing or new flag football programs that wanted to expand or replace existing equipment for safety.

According to Mr. Harriot, the grant will provide team jerseys, footballs, flags, shorts, and other essential items for the approximately forty players enrolled in the program.

The Boys and Girls Club is one of eight organized partnerships known as the NFL National Youth Football Partners that is a national youth-serving agency recognized for its positive work with children through athletics and mentorship programs.

"Our staff and participants are grateful to the Boys and Girls Club of America and the NFL for providing the opportunity for Hurlburt youth to enjoy a quality flag football program in 2003," said Harriot.

Skills Development Center 884-6942
